## THANK YOU VOLUNTEERS!

**Dear Volunteers,**

We don't say it nearly enough, but we want you to know just how deeply and sincerely we appreciate you. Everything you give—your time, your energy, your compassion, your steady willingness to step forward—makes our community stronger and our mission possible.

You show up with open hearts.

You bring kindness into spaces that desperately need it.

You offer your hands, your ideas, your patience, and your spirit without ever asking for anything in return.

And though you may not always see the ripple effect of your efforts, we see it every day. We see it in the lives you touch, the hope you inspire, and the joy you spark just by being who you are.

Please know this, **we couldn't do any of this without you.** You are the heartbeat of our work and the reason we're able to serve, grow, and dream bigger than ever before.

Thank you for showing up.

Thank you for caring.

Thank you for being the kind of people who make the world better simply by being in it.

With endless gratitude and so much love,

**All of the Community Resource Center Staff**
