RE: Mission Jamaica Benevolent Donations

To Whom It May Concern:

Mission Jamaica is a Christian volunteer group that serves yearly at various agencies in Jamaica since 1990. The organizations that we are partnered with are: Westhaven Children's Home for the Handicapped, Copse Boys' Place of Safety, Copse Basic School, Copse P. A., Hanover; St. John's Methodist Health Clinic, Blossom Gardens, and Robin's Nest Orphanage, Montego Bay; Garland Hall Orphanage and Mt. Carey Basic School, Anchovy; Riverside Basic School, Irwin (all of the above in St. James Parish); Hope Valley Experimental School, Sir John Golding Rehabilitation Centre, Calaloo Mews Basic School, and Penwood Clinic (all in Kingston).

This letter is to certify that all items that have been collected and are being carried by our volunteer missionaries are donated as free gifts from the Churches and people of the United States of America. These goods have been collected at the request of the above-mentioned mission partners with Mission Jamaica. These items are not for resale and are to be used solely in humanitarian aid.

Gods Blessings,
Jeff Peterson
