The Preschools of St. Andrew's full-day program admits students of any race, color, national, or ethnic origin to enjoy all the rights, privileges, programs, and activities generally accorded or made available to students at the preschool. It does not discriminate based on race, color, or national, and ethnic origin in the administration of its educational policies, admission policies, and other school-administered programs.

### WHY CHOOSE THE FULL-DAY PROGRAM?

- Weekly chapel is led by one of our St. Andrew's Pastors or staff members.
- Music is offered with a specialist each week.
- Spanish is offered with a specialist for our 3-5-year-old students.
- Intergenerational experiences are precious to our "Grandfriends" at St. Andrew's Village/Presbyterian Homes, and a tremendous learning experience for your child to learn to value people of all ages.
- Time is dedicated to gross motor movement in our large muscle room.
- The campus has a wonderful ecosystem where students will take nature walks, see baby ducklings right after they hatch, and learn to appreciate and care for the world in which we live.
- Your child is with the same children EVERY day, all year. Lasting friendships are formed.
- Students prepare a special Christmas program each December.
- As a mission of the church, we teach children how important it is to know God and to share his love with others.
- Our program offers field trips and other fun in-house events.
- NO HIDDEN COSTS. Your snack is provided, fundraising is optional, not mandatory.
