### ADMISSION

The Preschools of St. Andrew's half-day program admits students of any race, color, national, or ethnic origin to enjoy all the rights, privileges, programs, and activities generally accorded or made available to students at the preschool. It does not discriminate based on race, color, or national, and ethnic origin in the administration of its educational policies, admission policies, and other school-administered programs.

### WHY CHOOSE THE HALF-DAY PROGRAM?

- Weekly chapel is led by one of our St. Andrew's Pastors or staff members.
- Music is offered with a specialist each week.
- Spanish is offered with a specialist in the child's second year.
- Intergenerational experiences are precious to our "Grandfriends" at St. Andrew's Village/Presbyterian Homes, and a tremendous learning experience for your child to learn to value people of all ages.
- Time is dedicated to large muscle movement in our full-sized gymnasium.
- The campus has a wonderful ecosystem where students will take nature walks, see baby ducklings right after they hatch, and learn to appreciate and care for the world in which we live.
- Your child is with the same children EVERY day, all year. Lasting friendships are formed.
- Your child's class is led by a team of two teachers, not a teacher and an aide.
- Teachers provide a daily, face-to-face verbal snapshot at the end of each class time.
- Students prepare a special Christmas program each December.
- You'll encounter the same teachers at drop-off and pick-up times.
- As a mission of the church, we teach children how important it is to know God and to share his love with others.
- Each class enjoys four field trips or in-house events per year.
- NO HIDDEN COSTS. Your snack is provided, fundraising is optional, not mandatory, and tuition is the same each month unless there is a field trip or in-house event.
