CENTRUM KRESŤANSKÉHO VZDELÁVANIA
CENTER FOR CHRISTIAN EDUCATION

OUR PARTNERSHIP

Since opening in 1998, the Center for Christian Education (CCE) has grown from a small weekend Bible school into a preschool through high school, including a higher education program and outreach facility. Our ongoing **Peer Ministry** is a key component of St. Andrew's joint vision with the CCE to bring Slovak students into a Christ-centered youth ministry program. The students in the school's Peer Ministry program are trained to care for one another, recognize when a classmate may be struggling, and help connect them with support and guidance.

THIS SUMMER

Our team will bring English into the classroom through games, art, music, crafts, and story time. Then on Friday, we will gather young people from the greater community all together for a **Christian Youth Rally**. St. Andrew's Peer Ministry leaders will work with the Slovak Peer Ministers to plan and lead this rally - creating an incredible opportunity for youth from both countries to serve, worship, build friendships, and grow together in faith.

TRIP PREPARATION

To prepare our teaching teams, we will gather in the months leading up to the trip. Please **mark your calendar** for our meetings on January 31, February 28, April 4, and June 6. These will all occur at St. Andrew's at 11:45 am.
